We Are Venom

the comic paper

here to stay...yeh!

NEW!

edition

Tales of future past
www.wearevenom.org

'twas chaotic sunset in Blockchain City...

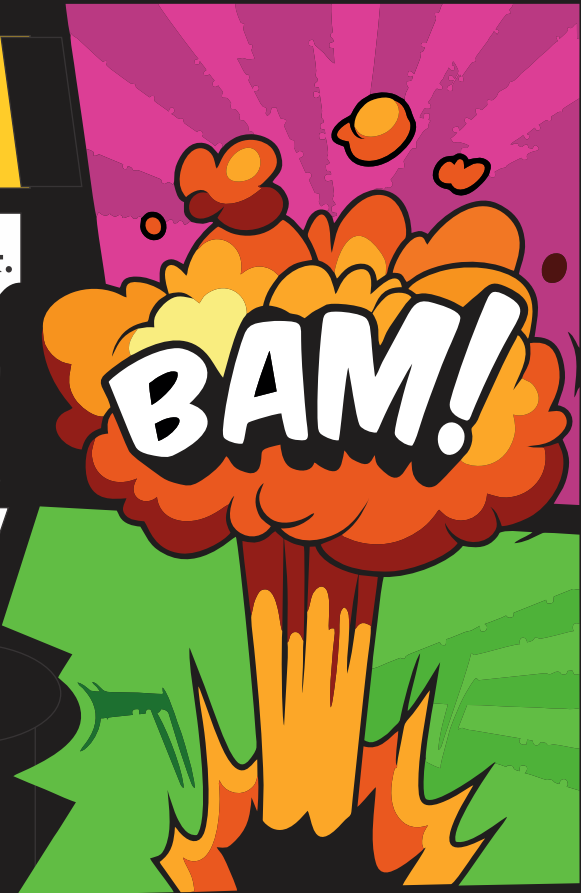

Ethereum the world leader
was slow and overworked...

Solana had ground to a halt.

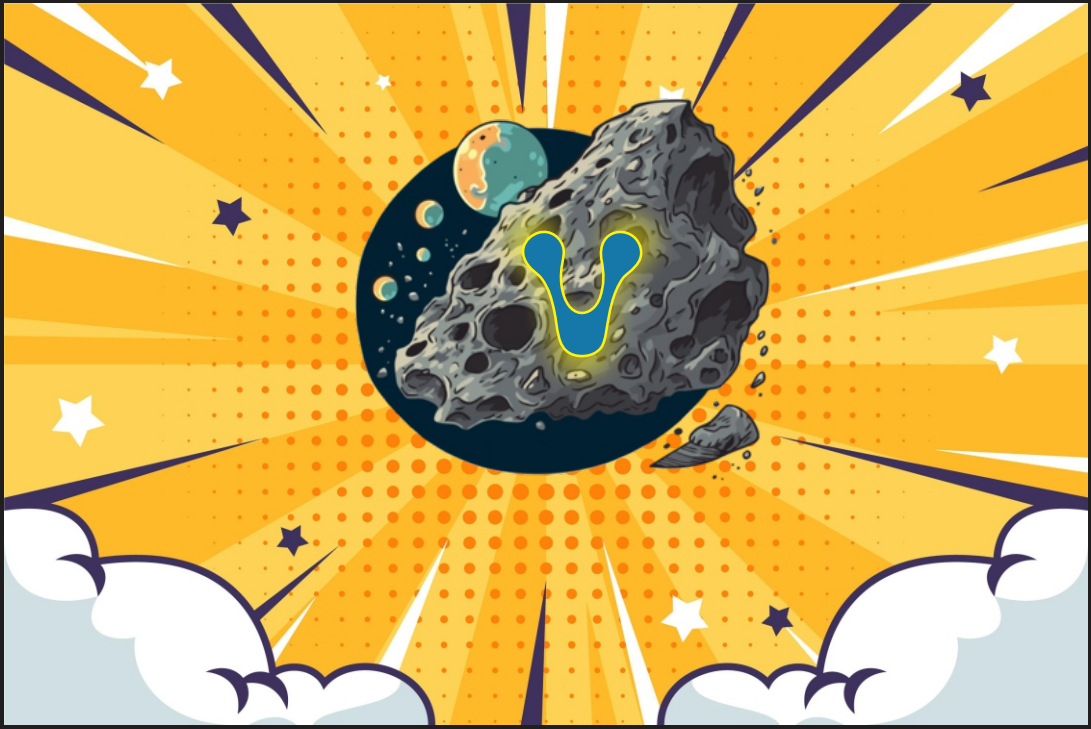

Blockchain City's dynamic
fast-developing economy
was beginning to unravel..

It seemed like the end was
nigh for Blockchain City
and its inhabitants...

UNTIL

...a tech so advanced hurtling our way from space

SMASH!

...came hurtling from space

BANG!

it became known.as...

the Meteor that gave us...

OMG!!!

VENOM NETWORK

...and the WeAreVENOM
movement

the first memecoin on the
VENOM NETWORK

First came the compliments...

...speedy swaps
...instant finality

and they didn't stop...

Praise Venom!
...my business
is saved.

...but come in WAVES

IN THE MEANTIME

...NEED TO GET
SOME \$WAVE,
EDDIE. YES!
YOU DO!

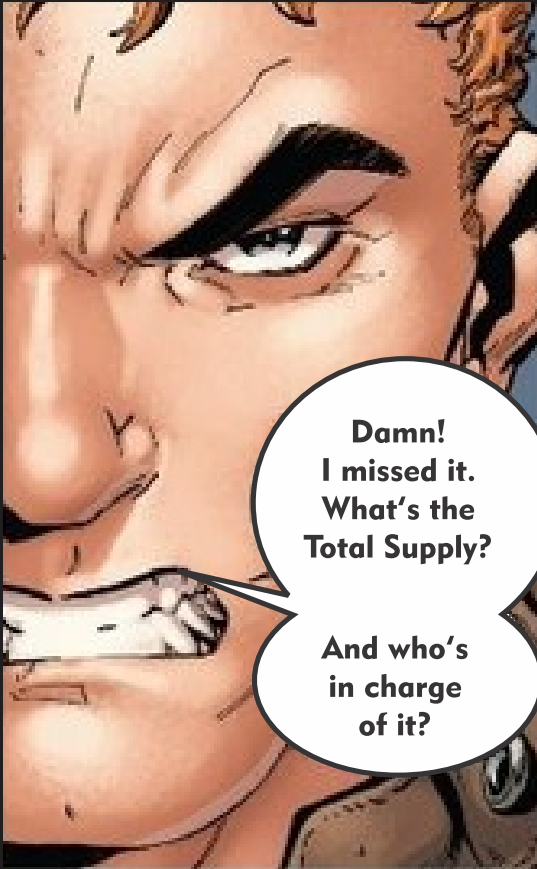

YOU!

OMG!

**A-A-A!!
A A A A!**

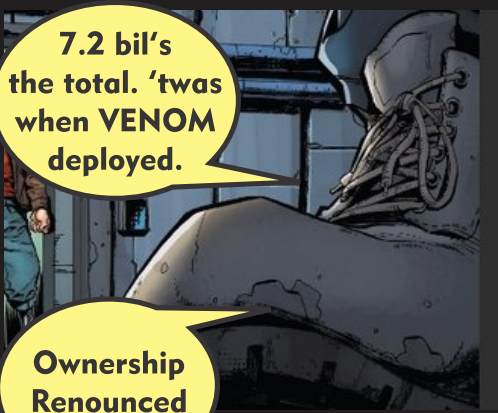

WeAreVENOM was stealth launched on March 27, 2024

Damn!
I missed it.
What's the
Total Supply?

And who's
in charge
of it?

7.2 bil's
the total. 'twas
when VENOM
deployed.

Ownership
Renounced

Dang!
Means we
are in
control

**WE ARE
VENOM!**

Almost forgot.
LP LOCKED
80 YEARS!

NOW THAT WE'VE BECOME VENOM AND JOINED THE MOVEMENT
